## **ABOUT THE PROGRAM:**

This program is designed to meet the needs of young equestrians looking to learn *everything* there is to know about horses. They will learn everything from brushing, tacking, bathing, clipping, bandaging, veterinarian care, horse showing, etc...

The students that are willing and ready will have opportunities to participate in Horse Shows on Long Island as well as shows held on the grounds.

Each student rides twice a day. Morning lessons are approximately 30-45 minutes and afternoon rides will either be a second lesson, games on horse back, bareback riding, or trail rides on the property. In the afternoon the students will also participate in arts & crafts, scavenger hunts and other games (Parents are welcome to watch their child's lesson at anytime)
